Happy Fall Y'all.....

One month down and things really seem to be falling into place. We see some wonderful friendships taking place, and laughter is abundant out on the playground.

We are grateful that God has been providing above and beyond for our little program and continues to meet all our needs.

His protection from illness and injuries is a continued area of thankfulness for us all. With that said, we would like to "thank" all our parents out there who have been putting their lives on the line for our families, community and state during this busy fire season.

I know these are uncertain times and the consistent change with COVID regulations from the state sometimes leaves us doubtful but, as California teeters between tiers, our program plans to remain open and ready to support our families as best as possible.

I will be taking a few days off from October 9-13th. Drop off will remain the same at the front gate. For all necessary late drop offs, please bring your child to the elementary office for a health check and a preschool staff will pick them up from there as soon as they are able.

Trunk or Treat 10:30-11:30am

Parent volunteers can sign up to decorate their cars and pass out candy or healthy snacks to the students as they parade by in their costumes. If you would rather set up a carnival style booth and pass out small toys that would be great too. Sign ups will be posted on parent board out front. Mrs. Trevino will then be in contact with you regarding details.
